By William O. Walker : The HarperCollins Bible Pronunciation Guide The HarperCollins Bible Pronunciation Guide:

6 of 6 review helpful Good But Could Be Better By Barry S Riehle This is a useful resource for pastors and for readers of scripture It uses the same method of pronunciation guide that a dictionary uses For example Dibri is dib ri the second i is italicized Most folks find it easier when the syllable is emphasized to capitalize it For exmaple Dibri is DIB righ If you prefer the latter method I would highly re The most authoritative and easy to use Bible pronunciation guide available for use with any version of the Bible in English From the Publisher The most authoritative and easy to use Bible pronunciation guide available for use with any version of the Bible in English
