**By Seymour Lipschutz : 2000 Solved Problems in Discrete Mathematics** there are many unsolved problems in mathematics some prominent outstanding unsolved problems as well as some which are not open journal of discrete mathematics ojdm is an openly accessible journal published quarterly the goal of this journal is to provide a platform for scientists and 2000 Solved Problems in Discrete Mathematics:

4 of 4 review helpful Great Discrete Mathematics Study Aid By Mike I purchased a few Discrete Mathematics textbooks and study aides because my assigned one Goodaire and Parmenter 3e was quite frankly incomprehensible I

have in addition to the one I mentioned the Rosen and the Epp both of which are much better though none of them are light reading I also purchased several study aids for kindle such as Disc Master discrete mathematics with Schaum's the high performance solved problem guide It will help you cut study time hone problem solving skills and achieve your personal best on exams Students love Schaum's Solved Problem Guides because they produce results Each year thousands of students improve their test scores and final grades with these indispensable guides Get the edge on your classmates Use Schaum's If you don't have a lot From the Back Cover About the Author He is a Ph.D and a Professor of Mathematics in Temple University
