Arabic Grammar:

1 of 1 review helpful Full Immersion By Rozo A I purchased this book as a recommendation from the textbook I am so glad I followed my mind I love this book so much I had no idea there were different scripts for Arabic This book has a lot of practice examples to go along with the textbook This way one can learn how to write and read Arabic script as if they are a native As a latin script speakers we are often unaware An exceptionally clear and accessible reference and workbook for anyone who wants to learn Arabic Easy Arabic Grammar is both a handy grammar reference and a primer workbook for beginning to intermediate level students of Arabic Clear structural explanations and practice activities make it a perfect companion for formal language classes as well as any self teaching course About the Author Jane Wightwick and Mahmoud Gaafar are experienced developers of foreign language learning books and recordings They are also authors of several successful Arabic instruction titles
