0 of 0 review helpful Well done By rmsteph I liked this book It was really great for class and would recommend this to anyone learning spanish 0 of 0 review helpful I love this book By GW I love this book Easy to understand and to learn from Thank you for the fast shipping and well done package 0 of 0 review helpful Five Stars Based on the Natural Approach Dos mundos En breve stresses the use of engaging activities and interesting readings in a natural and spontaneous classroom atmosphere In this comprehension based approach to learning language the development of

communicative language skills is the central goal with formal grammar presentation and grammar practice at the service of communication. The text is designed so that class time can be devoted to exposing students to Spanish. About the Author Tracy D. Terrell late received his Ph. D. in Spanish Linguistics from the University of Texas at Austin and published extensively in the area of Spanish dialectology. Professor Terrell's publications on second language acquisition are widely cited.
