3 of 3 review helpful Great for self-starters audio learners By Aletha I had a yr of high school college Spanish well

over 20 yrs ago This book cd set is a conversational approach to medical Spanish not multiple grammar lessons Because I thought the cd jumped around a lot I finally just put it in my car and memorized the vocabulary dialogue sections while driving to from work When combined I found I did pretty well This beginning level program prepares health care professionals to better communicate with Spanish speaking patients Technical material medical terminology and grammatical terms are integrated into realistic situational dialogues and accompanying exercises Language Notes Text English Spanish
