From imusti : Oxford Greek-English Learner's Dictionary a revised version of the popular greek english dictionary available in paperback this dictionary places particular emphasis on the idioms of greek and their translation into english with information on Oxford Greek-English Learner's Dictionary:

22 of 22 review helpful Simply the Best By Gail I've been slogging away at Modern Greek for 30 years due to marriage and a love affair with the language The discovery of this dictionary catapulted me to another level of fluency This is Modern Greek as it is spoken today I have three copies for myself 2 at home 1 in car and have bought a half dozen more as gifts It's cheaper to buy this book on than it is to This dictionary places particular emphasis on the idioms of Greek and their translation into English with information on grammar and usage as well as just meaning
