**From Oxford University Press : The Oxford Guide to Literature in English Translation** british literature is literature in the english language from the united kingdom isle of man and channel islands anglo saxon old english literature is included developed cooperatively with scholars and librarians worldwide oxford bibliographies offers exclusive authoritative research guides across a wide variety of subjects The Oxford Guide to Literature in English

Translation:

0 of 0 review helpful Esoteric but I love it By JJ Mcshane Not for all tastes but definitely for mine 7 of 7 review helpful Great comprehensive guide By Giton This is a great reference book in many ways It has extensive lists of translations into English of all the major works in tons of languages The lists are arranged as a sort of literary and historical review This book written by a team of experts from many countries provides a comprehensive account of the ways in which translation has brought the major literatures of the world into English speaking culture Part I discusses theoretical issues and gives an overview of the history of translation into English Part II the bulk of the work arranged by language of origin offers critical discussions with bibliographies of the translation history of specific texts e g the From Library Journal This new Oxford guide emphasizes high culture books in translation that have had the most lasting impact on English speaking culture since the Middle Ages The largely U K U S roster of academic contributors provides translation history
