language Oxford Beginner's Japanese Dictionary:

38 of 39 review helpful Wire and Hip vs Intensive Care Unit and Zebra Crossing By Paul Eres Most of the rest of the reviews cover the pros and cons of this book But they leave one important bit of information that I wanted before I bought the book and could not find how many words entries it has The book itself doesn't say this but I estimated counting entries per page on three pages taking the average a Each Oxford Beginner's Bilingual Dictionary is designed to offer English speaking adult learners a comprehensive straightforward introduction to foreign languages covering all the vocabulary needed for the first years of study along with notes on grammar and usage and guidance on the culture where the language is spoken These easy to use references break from standard dictionary design Clear entries with examples showing how the language works in context
