From Oxford Dictionaries : Oxford Essential Arabic Dictionary Oxford Essential Arabic Dictionary:

2 of 2 review helpful Great 1st dictionary see picture for small font issue clarification By Yuri Pros comes from a venerable publisher no small matter in everything related to the Arabic language as this guarantees its correctness and modernity Arabic words fully pronounced using Arabic diacritics High quality paper and printing which makes the text very legible Small size and light weigh The Arab speaking nations are becoming more and more important in American and world affairs but there are few reliable language resources to help bridge the gap between languages and culture The Oxford Essential Arabic Dictionary is a brand new compact Arabic English and English Arabic dictionary that offers up to date coverage of all the essential day to day vocabulary of both languages with over 16 000 words phrases and translations This compac It is very useful for study work or travel Islamic Horizons
