By Burton Raffel : The Art of Translating Poetry last month haruki murakami published a new novel in japan before anyone could read it the novel broke the countrys internet pre order sales record its some scholars believe that the art of poetry may predate literacy others however suggest that poetry did not necessarily predate writing the oldest surviving epic The Art of Translating Poetry:

0 of 0 review helpful Translating poetry By Why_me I bought this book used and can highly recommend it I know Russian poetry and dispair over the near impossibility of translating Russian poetry into English and vice versa The

poet Yevtushenko sexist that he was is reported to have said about poetry translation that if it's like a woman if it's beautiful it's not faithful but if it's faithful it's not beautiful This book by a well known translator and critic is divided into two parts the first dealing with the linguistic and other more technical aspects of translating poetry the second involved with more practice oriented matters The chapters in Part One examine the specific constraints of language and the unavoidable linguistic bases of translation the constraints of specific languages forms and genres and prosody and comparative prosody Part Two looks at the subject From the Back Cover This book by a well known translator and critic is divided into two parts the first dealing with the linguistic and other more technical aspects of translating poetry the second involved with more practice oriented matters The chapters in
