A New Version of the Gandhari Dharmapada and a Collection of Previous-Birth Stories: British Library Kharosthi Fragments 16 + 25 (Gandharan Buddhist Texts):

This volume continues the detailed examination of the British Library Kharosthi scrolls extremely fragile and brittle fragments of manuscript on birch bark rolls. Although their provenance is uncertain there are strong indications that they came from Hadda in eastern Afghanistan and were most likely written in the early first century A.D. during the reign of the Saka rulers making them the oldest known Buddhist manuscripts. Fragments 16 and 25 are two long reliefs. As did its predecessors this book has advanced our knowledge of Gandhari. Journal of the American Oriental Society. A rare glimpse into a rich world of lost Buddhist story literature. One comes away with a sense of wonder at how much Lenz has done.
