By Anita Norich : Writing in Tongues: Translating Yiddish in the Twentieth Century (Samuel and Althea Stroum Lectures in Jewish Studies)

Writing in Tongues: Translating Yiddish in the Twentieth Century (Samuel and Althea Stroum Lectures in Jewish Studies):

1 of 1 review helpful Lively and easy to read while retaining all the smarts By W Tovey What an excellent book about translations from Yiddish and the ways they interact with English literary traditions Norich is a professor and the book is sourced and indexed but the presentation is far more accessible than you might expect People who read and love I B Singer in English will be interested to learn how his work is gui Writing in Tongues examines the complexities of translating Yiddish literature at a time when the Yiddish language is in decline After the Holocaust Soviet repression and American assimilation the survival of traditional Yiddish literature depends on translation yet a few Yiddish classics have been translated repeatedly while many others have been ignored Anita Norich traces historical and aesthetic shifts through versions of these canonical texts and she a An excellent book at no point is the discussion overly technical First presented as part of the prestigious Stroum Lectures at the University of Washington the chapter lectures that make up Writing in Tongues are aimed at a general but educated
