By Deven Patel : Text to Tradition: The Naisadhiyacarita and Literary Community in South Asia (South Asia Across the Disciplines) Text to Tradition: The Naisadhiyacarita and Literary Community in South Asia (South Asia Across the Disciplines):

0 of 0 review helpful Excellent By Kevin Jackson Packed with insight and written in a straightforward but profound prose Patel's Text to Tradition takes us on an academic tour de force breathing fresh life into the ancient tale of God crossed lovers Nala and Damayanti The title of the book references Patel's rather unique literary analysis not only is the text of The Naisadhiyacarita itself explicated Written in the twelfth century the Naisadhiyacarita The Adventures of Nala King of Nisadha is a seminal Sanskrit poem beloved by South Asian literary communities for nearly a millennium This volume introduces readers to the poem's author his reading communities the modes through which the poem has been read and used the contexts through which it became canonical its literary offspring and the emotional power it still holds for the culture that values A treasure trove for Sanskritists Text to Tradition opens new doors to thinking about the afterlives of literature in South Asia and about the communities of readers and their interpretive interventions that have shaped and defined Sanskrit intellect
