How to Learn Any Language Fast and Never Forget It:

396 of 406 review helpful He has very good videos on the mechanics of pronunciation available By French Flic Fan This review comes after I have finished the book as well as explored the author's website The strong points 1 an emphasis on starting off with correct pronunciation he says otherwise you end up learning two languages rather than one He has very good videos on the mechanics of pronunciation available H The ultimate rapid language learning guide For those who 've despaired of ever learning a foreign language here finally is a book that will make the words stick At thirty years old Gabriel Wyner speaks six languages fluently nbsp He didn't learn them in school who does rather he learned them in the past few years working on his own and practicing on the subway using simple techniques and free online resources In This is a fun way for anyone to discover the secrets of language instruction presented in a conversational stress free way mdash no matter how little time you have The Chicago Tribune ldquo A brilliant and thoroughly modern guide to learni
