By Willis Barnstone : The Poetics of Translation: History, Theory, Practice a peer reviewed international journal that bridges the gap between research and practice in information design articles for translators and translation agencies literary translation literary translation recent theoretical developments The Poetics of Translation: History,

Theory, Practice:

In a lucid pioneering volume Willis Barnstone explores the history and theory of literary translation as an art form Arguing that literary translation goes beyond the transfer of linguistic information he emphasizes that imaginative originality resides as much in the translation as in the source text mdash a view that skews conventional ideas of artistic primacy Barnstone begins by dealing with general issues of literalness fidelity and original From Publishers Weekly A translator and poet as well as a professor of comparative literature at Indiana University Barnstone The Other Bible establishes the central thesis of his latest book in its first section translation is not a mechanical transcripti
