By Edith Grossman : Why Translation Matters (Why X Matters Series) w h auden who died 40 years ago this month is one of the most humane loving direct and affecting poets of all time writes alexander mccall smith comment thread closed go away content note gender relationships feminism manosphere quotes without endorsing and Why Translation Matters (Why X Matters Series):

1 of 1 review helpful an engaged argument for the importance of translation By wch Though I am not a professional translator I couldn't disagree more with the reviewers that found Grossman's *Why Translation Matters* a dry read She is first an excellent essayist and second an articulate defender of translation's role in making great writing accessible across cultures times and languages In the preface she writes *Why Translation Matters* argues for the cultural importance of translation and for a more encompassing and nuanced appreciation of the translator's role As the acclaimed translator Edith Grossman writes in her introduction *My intention is to stimulate a new consideration of an area of literature that is too often ignored misunderstood or misrepresented* *For Grossman translation has a transcendent importance* Translation not Grossman and others like her continue to offer us enlightenment The subject is passionately explored and patiently explained — Richard Howard *New York Times Book*
