1 of 1 review helpful Great book just not quite what was advertised By Chooch This book has been very helpful in learning Greek It is easy to follow along with the textbook and the exercises are very effective The only reason I gave 4 stars is that the description says it is perforated and three hole punched but the copy I received was not so I had to

pay to have the binding cut off and had to punch the holes myself to This expanded workbook is designed with you the student in mind and intended for use with the standard setting Basics of Biblical Greek textbook now in its third edition Two optional chapters have been added to the Basics of Biblical Greek Workbook allowing you to read large chunks of the biblical text and enjoy the fruits of your labor faster than ever before Each chapter is divided into six sections and includes extensive exercises and From the Back Cover These excellent tools for studying New Testament Greek are now even better As a result of feedback from professors the author has made adjustments to his material For example a chapter on clauses has been added at the end of the book T
