1 of 1 review helpful More answer key than study guide By Abeames1 The answers to exercises from the

accompanying textbook are accurate and very helpful for checking whether you're correct or not. However, if you don't get the correct answer, this study guide does little to explain how the solution is obtained. The practice tests in the study guide are rather easy compared to the material covered in the book and in most cases. This package contains the following components: 032177437X Organic Chemistry Study Guide and Solutions Manual, Books a la Carte Edition; 0321663136 Organic Chemistry
