1 of 1 review helpful helped me very much with grammar and is a good accompaniment to my class and Duolingo By Laurie Henry This book has helped me very much with grammar and is a good accompaniment to my class and Duolingo If I had to do it over I would have bought the book new instead of used because the listening practice

assignments are pretty important and aren't available with a used copy. Or if I were poor focused on building linguistic skills and comprehension through creative introductions to contemporary life and cultures in German speaking countries WIE GEHT S Ninth Edition is the clear choice to prepare your students to communicate in German in your classroom and beyond. Now in its Ninth Edition WIE GEHT S remains as one of the most popular introductory German programs in the country. Both authors are native Germans and not only expose students to the German language, I was impressed with the detailed culture sections and the way that they are incorporated into other sections in the book. I liked the grammar explanations and exercises. The cultural information is relevant, accurate and interesting and especially
