6 of 6 review helpful Clear and concise By Ms Leigh As I already speak Swedish I wanted this grammar book to make comparisons because I am about to learn Norwegian I'm most of the way through the book So far it's clear and concise and makes sense If this had been my first attempt at learning a Scandinavian language I probably wouldn't start by devouring a grammar book It was just that it came before the other books Norwegian An Essential Grammar is a reference guide to the most important aspects of contemporary Norwegian as used by native speakers The Grammar presents a fresh and accessible description of the language Explanations are clear free from jargon and often accompanied by exercises The book gives a simple step by step presentation of the grammatical systems of Norwegian and demonstrates and explains usages which have proved difficult for those learning This is an excellent dictionary prepared with all the attention a good lexicographer pays to every detail and with all the typographical differentiation of various categories of information Language and Linguistics 1996 La
