By Mona Baker : In Other Words: A Coursebook on Translation In Other Words: A Coursebook on Translation:

1 of 1 review helpful Read with such ease that it is hard to believe one can learn so much By Customer Well organized book with abundant examples that help comprehend the subtleties of a good translation Easy to read All subject matters presented are elaborated with clarity The chapter on ethics is brilliantly approached and easily generalizes to

professions other than translators 3 of 3 review helpful In Other Words is the definitive coursebook for anyone studying translation Assuming no knowledge of foreign languages it offers both a practical and theoretical guide to translation studies and provides an important foundation for training professional translators Drawing on modern linguistic theory this best selling text provides a solid base to inform and guide the many key decisions trainee translators have to make Each chapter offers an explanation A new edition of In Other Words is enormously welcome Important new material has been added covering the rapidly evolving modes of practice in a globalized translation industry as well as specific genres such as audio visual translation an
