Translation:

7 of 8 review helpful Great for Exploring Translation By Tom O I bought this book because I have been studying Japanese for about 15 years and have decided to start a translation business This book was exactly what I needed to get my skills up and has given me the confidence I need The lessons are well organized and easy to follow I am going slow right now but I anticipate things will start to heat up once the summer The Routledge Course in Japanese Translation brings together for the first time material dedicated to the theory and practice of translation to and from Japanese This one semester advanced course in Japanese translation is designed to raise awareness of the many considerations that must be taken into account when translating a text As students progress through the course they will acquire various tools to deal with the common problems typically involved About the Author Yoko Hasegawa is Associate Professor of Japanese Linguistics in the Department of East Asian Languages and Cultures at the University of California Berkeley
