0 of 0 review helpful How men of the 1860 s should act toward other men and women By John L Wasing This is an excellent book about man s behavior or etiquette in the 1860 s This book should be used by all living historians and re enactors of the American Civil War This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work
