0 of 0 review helpful French Experience Book and CD By ParisGirl This book repeats a lot of what is in French Experience 1 but with a little more detail I found both books are really for those who want to travel and live for a short time in France but does not give the depth of grammar I was hoping to find Grammar is certainly not the strong part of this book The CDs are useful and ensure growth of your understanding o The French Experience 2 is an intermediate course ideal for learners who have completed The French Experience 1 or any other beginners French course and is suitable for study at home or in a class The course focuses on the standard French of France but also travels further

afield to introduce learners to the richness and diversity of the French speaking world You ll also gain valuable insights into the culture of France and French speaking countries such as Vietnam an
