By Corinne McKay : How to Succeed as a Freelance Translator how to become a professional translator and interpreter achieving a successful career in the field of translation and interpreting is not easy and it requires you probably have one of two motivations for becoming a translator you enjoy languages you want to make some money

in exchange for your knowledge of those languages How to Succeed as a Freelance Translator:

5 of 5 review helpful Must have book for any prospective freelance translator By Jamal I enjoyed reading the second edition as well as I enjoyed years ago reading its first edition It is well written and to the point with lots of useful information I recommend this book to any linguist who is thinking of working as a self employed freelance translator Although it is targeted towards the US market much of the information in the book is applicable to freelance translators The original how to guide for people who want to launch and run a successful freelance translation business With over 4 000 copies in print the first edition of How to Succeed as a Freelance translator has become a widely cited reference for the translation industry The fully revised second edition includes 200 pages of practical tips on writing a translation targeted resume and cover letter preparing a marketing plan setting up a functional home office finding an
