From Peter Burke : Cultural Translation in Early Modern Europe boundaries of time and place the early modern english period follows the middle english period towards the end of the fifteenth century and coincides closely with a major factor separating middle english from modern english is known as the great vowel shift a radical change in

pronunciation during the 15th 16th and 17th Cultural Translation in Early Modern Europe:

This groundbreaking 2007 volume gathers an international team of historians to present the practice of translation as part of cultural history. Although translation is central to the transmission of ideas, the history of translation has generally been neglected by historians who have left it to specialists in literature and language. This book seeks to achieve an understanding of the contribution of translation to the spread of information in early modern Europe. It focuses on this as a useful, broad-ranging and illuminating book, one that will be of use to this expanding and important field. Michael Saenger, Southwestern University, Comitatus. It is a pleasure to encounter a group of essays that immerses
