**By Steven Brown, Dorolyn Smith : Active Listening 1 Student's Book with Self-study Audio CD** Active Listening 1 Student's Book with Self-study Audio CD:

4 of 4 review helpful I don t recommend it By Andres Sayago I bought this book in order to practice the listening and repeat its pronunciation I am not happy because most of its excercises are incompleted There are 16 audio files in the CD to practice the self study part of the book about 5 of the whole book You cannot find audios for 95 of its lessons It s really important to have the complete audios if you wish a Active Listening Second Edition is grounded in the theory that learners are more successful listeners when they activate their prior knowledge of a topic Student s Book 1 is

intended for beginning level students The Student s Book offers 16 task based units each built around an engaging topic Through a careful balance of activities students learn to listen for main ideas to listen for details and to listen and make inferences Prelistening schema building activ
