6 of 6 review helpful A great book for English teachers By Aida I m very pleased with the purchase The book is

wonderfully organised it has clear explanations for every practice unit and a number of practical exercises I appreciate that all phrasal verbs are grouped in units which definitely contributes to better memorising and mastering the verbs What I like the most and actually was looking for is illustrations and This reference and practice book contains 60 attractive two page units featuring approximately 1 000 phrasal verbs This new level of English Phrasal Verbs in Use is specifically designed for advanced level students looking to improve their knowledge of this often difficult area of the English language The book includes many phrasal verbs useful to students preparing for the Cambridge CAE CPE and IELTS examinations
