By Joint Association of Classical Teachers : Reading Greek: Grammar and Exercises reading greek grammar and exercises kindle edition by joint association of classical teachers download it once and read it on your kindle device pc phones or reading greek has 64 ratings and 3 reviews thomas said an excellent review for those who have some previous experience with ancient greek the learning Reading Greek: Grammar and Exercises:

1 of 1 review helpful Quality Textbook By Chad Carrera A good book for introduction to Greek The author does a good job explaining most of the grammatical phenomena that you will experience in Greek however at times he is a bit terse in his explanations and examples especially towards the back of the textbook The hortatory preventative and deliberative subjunctive for example Other than that it pairs really nicely First published in 1978 Reading Greek has become a best selling one year introductory course in ancient Greek for students and adults It combines the best of modern and traditional language learning techniques and is used widely in schools summer schools and universities across the world It has also been translated into several foreign languages This volume provides full grammatical support together with numerous exercises at different levels For the second edition Grammar and Exercises is unique in comparison to alternative learning Greek material in its comprehensibility a comprehensive guide to learning ancient Greek Moreover the book is accessible to independent learners and those on distance learning
