8 of 9 review helpful Very good text even for self study By Yu Kaname I had apprehensions about learning German because I never even learned a phrase of German but this book is very good about explaining the main points as well as the small details that form a language The format is very easy to learn from once you become familiar with it The

exercises help very much especially the comprehensive review exercises at the Neue Horizonte skillfully instills both communicative and grammatical competency using a diversified methodology that adapts well to a variety of teaching and learning styles. Its integrated treatment stressing a balance of communicative competence, cultural awareness and mastery of language structures immerses students in a complete language learning experience. In the new Seventh Edition this proven philosophy is enhanced by the iLrn Heinle Learning Center. About the Author: David B. Dollenmayer is Professor of German at the Worcester Polytechnic Institute in Worcester, Mass. He received his B.A. and Ph.D. from Princeton University and was a Fulbright fellow at the University of Munich. Dr. Dollenmayer has written over 50 books and articles.
