**By Kate Spade : Manners** Manners:

3 of 3 review helpful Easy Etiquette Found in Manners By Lisa Plancich Kate Spade the designer of all things accessories offers up her opinion on manners Her book published in 2004 and aptly titled Manners is a fun glossing over of various etiquette question and manners probing moments The blue cover and white silhouette illustration reflect Ms Spades paired down style you like what you see and you know what Making a good first impression tipping for a haircut dispensing with a large handful of cherry pits and determining the so called pedestrian passing lane on a crowded sidewalk are just some of the many etiquette conundrums we all face As liberated as we ve become in our

dress and in our lifestyles good manners are still essential Whether you re in Boston or in Phoenix and whether you re a record producer or a dog groomer the same quandaries can occur Who go com Back in 1993 the editor turned designer Kate Spade made a splash in the fashion world by turning out a small collection of boxy utilitarian handbags each elegantly accented with her name stitched in discreet lowercase letters As a result the simplic
