4 of 4 review helpful FIVE STARS FOR PIMSLEUR By Peter F Andrus I bought this Pimsleur Course after beginning the Pimsleur Quick Simple Russian 4 CD course I realized that I needed a longer course to take because I had a girlfriend in Russian who I spoke with and hoped someday to see and or marry Russian is not an easy language I speak English and some French after taking four years in high school and college I find Pimsleur really equals success Just one 30 minute lesson a day gets you speaking and understanding like no other program This course includes Lessons 1

16 from the Russian Level 1 program 8 hours of audio only effective language learning with real life spoken practice sessions Each lesson provides 30 minutes of spoken language practice with an introductory conversation and new vocabulary and structures Detailed instructions enable you to understand and p Pimsleur programs provide plenty of positive reinforcement that will keep learners on track and we found that Pimsleur gave us more proficiency and confidence in speaking the new language than any of the other language programs we reviewed AudioFile
