5 of 5 review helpful It works By bnyka My boyfriend is interested in learning Lithuanian language and I decided to give a try with this version of CDs Well I can see a difference After a few days he was able to express a hand full words and expressions and most importantly to understand them and respond to them appropriately The method that Pimsler is using is very unusual and interesting The only thing I would wish is The Easiest and Fastest Way to Learn Lithuanian Whether you want to travel communicate with friends or colleagues reconnect with family or just understand more of what is going on in the world around you learning Lithuanian will expand your horizons and immeasurably enrich your life The best part is that it doesn't have to be difficult or take years to master Thirty minutes a day is all it takes and we get you speaking right from the start About the Author Dr Paul Pimsleur devoted his life to

language teaching and testing and was one of the world's leading experts in applied linguistics. After years of experience and research Dr Pimsleur developed The Pimsleur Method based on two key principles:
