9 of 9 review helpful Worth every penny By Leila I love this product I am a Swiss American who unfortunately was not taught Swiss German by my mother I learned standard German in school I listen to the program in the car and I have also saved it to my itunes on my mac It is so helpful The repetition broken down pronunciation and build up The fact is that Swiss German is almost nothing like German Without thi The Easiest and Fastest Way to Learn Swiss German Whether you want to travel communicate with friends or colleagues reconnect with family or just understand

more of what's going on in the world around you learning Swiss German will expand your horizons and immeasurably enrich your life The best part is that it doesn't have to be difficult or take years to master Thirty minutes a day is all it takes and we get you speaking right from About the Author Dr Paul Pimsleur devoted his life to language teaching and testing and was one of the world's leading experts in applied linguistics After years of experience and research Dr Pimsleur developed The Pimsleur Method based on two key prin
