0 of 0 review helpful Great Course if supplemented By Espada This is a very good learning tool I wanted something I could listen to in the car and this seemed to be the best option I would actually recommend listening to each lesson at home because the pauses where you have to reply aren't always long enough not making you come up with the answer but rather repeating the answer when the speaker beats you to the punch The Easiest and Fastest Way to Learn Italian Whether you want to travel communicate with friends or colleagues reconnect with family or just understand more of

what is going on in the world around you learning Italian will expand your horizons and immeasurably enrich your life The best part is that it doesn't have to be difficult or take years to master Thirty minutes a day is all it takes and we get you speaking right from the first About the Author Dr Paul Pimsleur devoted his life to language teaching and testing and was one of the world's leading experts in applied linguistics After years of experience and research Dr Pimsleur developed The Pimsleur Method based on two key principles
