By Joan Beal : An Introduction to Regional Englishes: Dialect Variation in England (Edinburgh Textbooks on the English Language)

an introduction to regional englishes dialect variation in england joan beal published by edinburgh university press  
edinburgh textbooks on the english language an introduction to regional englishes dialect variation in england  
edinburgh textbooks on the english language 1st edition by An Introduction to Regional Englishes: Dialect Variation in England (Edinburgh Textbooks on the English Language):

Are the dialects of England disappearing in the wake of globalisation and Estuary English or are geographical differences as strong as ever Joan Beal looks at recent research into regional variation in England discusses the evidence for dialect levelling and argues that despite this features of dialect are still clear markers of regional and local identity Chapters outlining the main regional differences in accent dialect grammar and dialect vocabulary are fol This slender volume part of the English Textbooks on the English Language series is an excellent introduction to the field of English dialectology Part of its appeal lies precisely in its compact size coupled with clarity of presentation Importantly ea
