Introduction to Spanish Translation:

0 of 0 review helpful Great book but no answer key By Christina I really enjoyed this book It's broken up into 24 chapters each of which discuss theory history problems and techniques and cognates proverbs idioms Then each chapter has corresponding exercises at the back of the book I would have given it 5 stars if an answer key had been included If you purchase the book you will notice that the author includes his Introduction to Spanish Translation is designed for a third or fourth year college Spanish course It presents the history theory and practice of Spanish to English translation with some consideration of English to Spanish translation The very successful first edition of the text evolved from the author's experiences in two decades of teaching translation in the Department of Language and Foreign Studies of The American University The emphasis is on general in About the Author Dr Jack Child is a professor of Spanish and Latin American Studies at American University and coordinates the Spanish translation program Though of American parentage he grew up in Argentina and lived in South America for eighteen years
