Mirza : Swahili: A Foundation for Speaking, Reading, and Writing - Second Edition the online writing lab owl at purdue university houses writing resources and instructional material and we provide these as a free service of the writing lab at rosetta stone language learning scee is able to supply rosetta stone classroom v3 online language learning to our affiliated schools and students Swahili: A Foundation for Speaking, Reading, and Writing - Second Edition:

4 of 4 review helpful A good self study By G Ellis I bought this because I m headed to Kenya in a few months and wanted to familiarize myself a bit with the Swahili language It s organized well and has thorough explanations of grammatical structure etc Of course the book wasn t made to be a stand alone self study book so there are drawbacks like no way to check my answers to questions or my pronunciation etc but it This is a comprehensive manual intended to teach students the basics of communicating in Swahili at an elementary level Language Notes Text English Swahili About the Author Thomas J Hinnebusch is Professor of Linguistics and African Languages at the University of California Los Angeles
