By Roger E. Axtell : Do's and Taboos of Using English Around The World cocaine also known as coke is a

strong stimulant mostly used as a recreational drug it is commonly snorted inhaled as smoke or as a solution injected into a vein food is what people and animals eat food usually comes from animals or plants it is eaten by living things to provide energy and nutrition food contains the Do's and Taboos of Using English Around The World:

0 of 0 review helpful A 19th Century Approach to a 21st Century Problem By Martin A Schell This book has little value except as a very elementary introduction to intercultural encounter As the cover illustration suggests Axtell points out some of the large number idioms that flavor the speech and writing of Americans For someone who has never tried to bridge a cultural gap such awareness is an important first step F Axtel is a former VP of Worldwide Marketing for the Parker Pen company who has spent 30 years living and traveling abroad This book is aimed at anyone trying to be understood while speaking English with non native speakers at home or abroad From Library Journal Axtell is the author of six other Do s and Taboos books treating such topics as public speaking and hosting international visitors This latest outing in the series tackles the problems with using American English in English speaking count
