By Luigi Serafini : Codex Seraphinianus 2017 Wall Calendar Codex Seraphinianus 2017 Wall Calendar:

3 of 3 review helpful Nice pictures not enough room to write appointments on By jefff If you re familiar with the Codex Seraphinianus this has the sort of images you d expect and that s great However the actual calendar pages are way too busy full of stuff written in the secret language This leaves little extra room to write in appointments etc If you re not the type to ever write on a calendar then this is fine One of the most extraordinary and surreal books ever published The Codex Seraphinianus has been recognized as one of the strangest and most beautiful art books ever made This first of its kind Codex Seraphinianus 2017 Wall Calendar personally designed by author Luigi Serafini captures the beauty and mystery of the book A visual encyclopedia of an unknown world written in an unknown language it has fueled much debate over its meaning and has con
