Voice-Overs: Translation and Latin American Literature (Suny Series in Latin American and Iberian Thought and Culture):

2 of 2 review helpful Translation never sounded so good By The Avid Reader This compilation of essays by some of the most renowned and beloved authors of Spanish language literature Borges Cortazar Garcia Marquez Junot Diaz Dorfman on translation theory is absolutely incredible Anyone that seeks to translate or be translated from English to Spanish or Spanish to English especially absolutely must read this book Writers translators and critics explore the cultural politics and transnational impact of Latin American literature the editors describe this book as an invitation to reflect on multiple and intersecting circuits of cultural production Taken as a whole the essays in this work provide an excellent grounding for such reflection and will attract a wide readership among spec
