**From Brand: State Univ of New York Pr : Etiquette: Reflection on Contemporary Comportment (Suny Series, Hot Topics)** Etiquette: Reflection on Contemporary Comportment (Suny Series, Hot Topics):

Etiquette the field of multifarious prescriptions governing comportment in life s interactions has generally been neglected by philosophers who may be inclined to dismiss it as trivial most specifically in contrast to ethics Philosophy tends to grant absolute privilege to ethics over etiquette placing the former alongside all of the traditional values favored by metaphysics order truth rationality mind masculinity depth reality while consigning the latter the essays are great fun and show the variety of rules for society s subcultures CHOICE There have been many books on civility in recent years and of course there are popular manuals of etiquette but I don t know of any other book that connects the suppos
