**By N. Marinone : All the Greek Verbs (Greek Language)** learn greek with rosetta stone learn to speak greek with our language learning software its a fun and fast way to learn greek irregular modern greek verbs this page is part of a

more general learner oriented page on greek verbs modern and ancient which in turn is part of the authors All the Greek Verbs (Greek Language):

0 of 0 review helpful Some of the Greek Verbs By marks Not as comprehensive as I thought it would be You have to guess sometimes that the verb in question stems from the given primary form Also it would be helpful if there were translation of that principal form I think it would be in Italian though since the author provides extra material in the book in Italian 2 of 2 review helpful All the Greek Verbs has established itself as an indispensable guide for all learners of Greek In a clear and simple format the book sets out over 13 000 verb forms which are listed alphabetically and referred to the verbs from which they derive Poetic and dialect forms are differentiated and grammatical tables set out standard endings and inflexions making it easy for the student of Greek to navigate their way through the language About the Author N Marinone taught Latin Literature at the University of Turin and was Professor of Classical Philology at the University of Padua
