By Luigi Serafini : Codex Seraphinianus codex seraphinianus the codex seraphinianus the codex seraphinianus was written and illustrated by italian graphic designer and Codex Seraphinianus:

3 of 3 review helpful Alien Yet Familiar By RDD Italian artist Luigi Serafini s Codex Seraphinianus is a gorgeous illuminated manuscript describing a world of the artist s imagining One that s alien yet familiar at the same time The invented language he uses also recalls several all at the same time Arabic ancient Greek and the Burmese alphabet It demands that the reader take the time to carefully pour over each i An extraordinary and surreal art book this edition has been redesigned by the author and includes new illustrations Ever since the Codex Seraphinianus was first published in 1981 the book has been recognized as one of the strangest and most beautiful art books ever made This visual encyclopedia of an unknown world written in an unknown language has fueled much debate over its meaning Written for the information age and addressing the import of coding and deco ldquo hellip the book really does live up to its reputation The drawings are in turn hilarious disturbing bizarre and sometimes just flat out incomprehensible but all of them are annotated in Serafini rsquo s script rdquo Dangerous Minds nbs
