2 of 2 review helpful Oh not a good cookbook By Deborah The index is either a complete misprint for recipes are listed in such a random order that I ended up putting it back on my bookcase out of frustration I always purchase used books from and I will say this book looked brand new but for cooking I find it useless Maybe there are some good

recipes inside it but how to find them without leafing through every page. From the experts at Southern Living comes the most comprehensive guide to Southern cooking ever published, the essential source to experience, prepare and savor the New South cuisine as well as the region's beloved classics. This treasury of Southern cooking showcases recipes with entertaining commentary spotlighting the colorful cultural influences, Southernisms, fiery food debates and the lighthearted side of Southern cooking. You'll also About the Author. Southern Living launched in 1966 is the heart of Southern life. Over 16 million people turn to the magazine each month for definitive Southern recipes, travel tips, gardening guides and home decorating inspiration.
