(Bk.1) (English and Latin Edition):

The first book of Ovid's Metamorphoses contains an interesting variety of material. It begins with myths related to the creation of the world and man's decline from the golden age, the flood, and the story of Deucalion and Pyrrha. In the second half, it deals primarily with two main metamorphosis myths: Apollo's love for Daphne and the story of Io. Guy Lee's edition, first published by CUP in 1952, supplies a detailed commentary of explanatory notes with
