**By William W. Kibler : An Introduction to Old French (Introductions to Older Languages)** the modern descendants of the old west norse dialect are the west scandinavian languages of icelandic faroese norwegian and the an introduction to french whether you want to learn key words and phrases for travel or build up fluency for school and work these beginner level resources will An Introduction to Old French (Introductions to Older Languages):

9 of 9 review helpful An Execelent Primer By ksiezycowy As someone with an interest in Medieval languages I of course picked up a copy of this book and loved it The layout of the book is very good The book is divided into lessons each give you a text in Old French accompanied with grammar There are also sections on the relationship between Old French and Latin which I find very interesting The only thing The first section on the grammar presents reading selections from Marie de France s lai Fresne and selections in two major literary dialects of Old French Anglo Norman and Picard These are followed by chapters on Old French morphology and syntax phonology sections are included at the end of each chapter Contains a glossary an index and a select bibliography Language Notes Text English About the Author William W Kibler is Professor Emeritus at the University of Texas at Austin His publications include The Lancelot Grail Cycle Texts and Transformations Medieval
