By Gerardo Vázquez-Ayora : Introducción a la Traductología (Spanish Edition) Introducción a la Traductología (Spanish Edition):

0 of 0 review helpful Very clear explanation of the process and technique of translation By Fatima It is true that some of the examples provided in this book are outdated but not all of them This book is still included in the syllabus in many well known universities and I think it is not because of the examples it shows but because its theory is still very much used and it is very well explained 4 of 5 review helpfu Introduccion a la Traductologia integrates the theoretical and practical aspects of translation Language Notes Text Spanish
