Romanian Made Nice & Easy (Language Learning):

1 of 1 review helpful Good start for learning Romanian By Shumway88 I frequently travel between the US and Romania This book is a good starting point to learn the language You are not going to be able to have conversations after studying this book but you will learn some key phrases and also how to pronounce their words This is a good start 1 of 1 review helpful Romanian Made nice eas Whether travelling to a foreign country or to your favorite international restaurant this Nice Easy guide gives you just enough of the language to get around and be understood Much of the material in this book was developed for government personnel who are often assigned to a foreign country on a moment s notice and need a quick introduction to the language From the Back Cover
