2 of 2 review helpful Great group of books By S Lauer I lived in China for two years then returned to go back to

school This semester I decided to audit a Chinese course to see if I could get it back improve on what I knew This and the two associated books was perfect for expanding my vocabulary and grammar in a direction different from what I learned in China In China they taught exactly what I needed to know to Cheng Tsui s best loved Chinese textbook series is new revised and better than ever Integrated Chinese is already the leading introductory Chinese textbook at colleges and universities around the world The third edition of this time tested series has been fully updated to meet the needs of today s students with a full color design up to date vocabulary enhanced cultural coverage a diverse cast of characters additional communicative and interactive exercises an
